FIRST AID

Miss Virginia Smith graduated from T.F. in '40 and later from the Northwestern School of Nursing. She was a lieutenant in the U.S. Army and served in the Pacific area.

Mrs. Nettie Hindle was T.F.'s first full time nurse. She did a grand job, but because of a serious arm injury had to leave us in January.

Dr. Thomas Tyrrell and his wife, Dr. Sallie Tyrrell, are that good-looking twosome who, for the second year, take care of the varied aches and pains of our carnival life.

MRS. LILYAN WILSON

MR. BRUCE MILLER

Among the necessary members of any carnival company are the plain clothes agents, better known as "dicks". Fractional's carnival is no exception. The responsibility for seeing that the cast is present on time when the main show events are scheduled and for seeing that the conduct of the members is above reproach falls on our ducky dicks, the deans.

Carnivals have to have their "roustabouts" to keep things in order, make repairs, and see that the buildings and grounds are attractive, but T.F.'s "roustabouts" are competent, congenial, and valued members of the crew.

OFFICERS

Star performers in the Fractional carnival of "46-47" were undisputably the members of the senior class. That they filled their stellar roles with skill and apparent ease, was due not only to the make-up of the class itself, but also the expert leadership of their chosen officers. During our four years at T.F. the class of '47 has learned a lot, had a super time together and, we hope, accomplished quite a little for our school. We hope the "show will go on" forever.

Russ—
Here's wishing
good. luck to someone
who will never need it
with his ability—
See you next year.

Seniors: Phyllis Stephenson, v.-pres.; Rosemary Schoon, sec'y.; Dolores Knabenhans, treas.; Bob Kickert, pres.

Juniors: Clarence Wiening, treas.; Jack Kiester, v.-pres.; Joan Ahrendt, sec'y.; Bill Mills, pres.

When the senior actors move on, the juniors move up. The members of the class of '48 will miss their senior friends, but they are confident that they can and will carry on in the tradition of the classes which have gone before, and that in scholarship, sportsmanship, and service they will be worthy to be the big attraction when the T.F. carnival opens for its next showing.

Junior, or understudy performers, are a very important part of any carnival. Of almost equal importance are the sophomores, or apprentices, who train themselves for the "Big Show" of upper class activities by participating in those less publicized activities so vital to successful performances later. Here come the pictures of our sophomores, whom we can't get along with or without. They'll be in there taking a share of the applause next year.

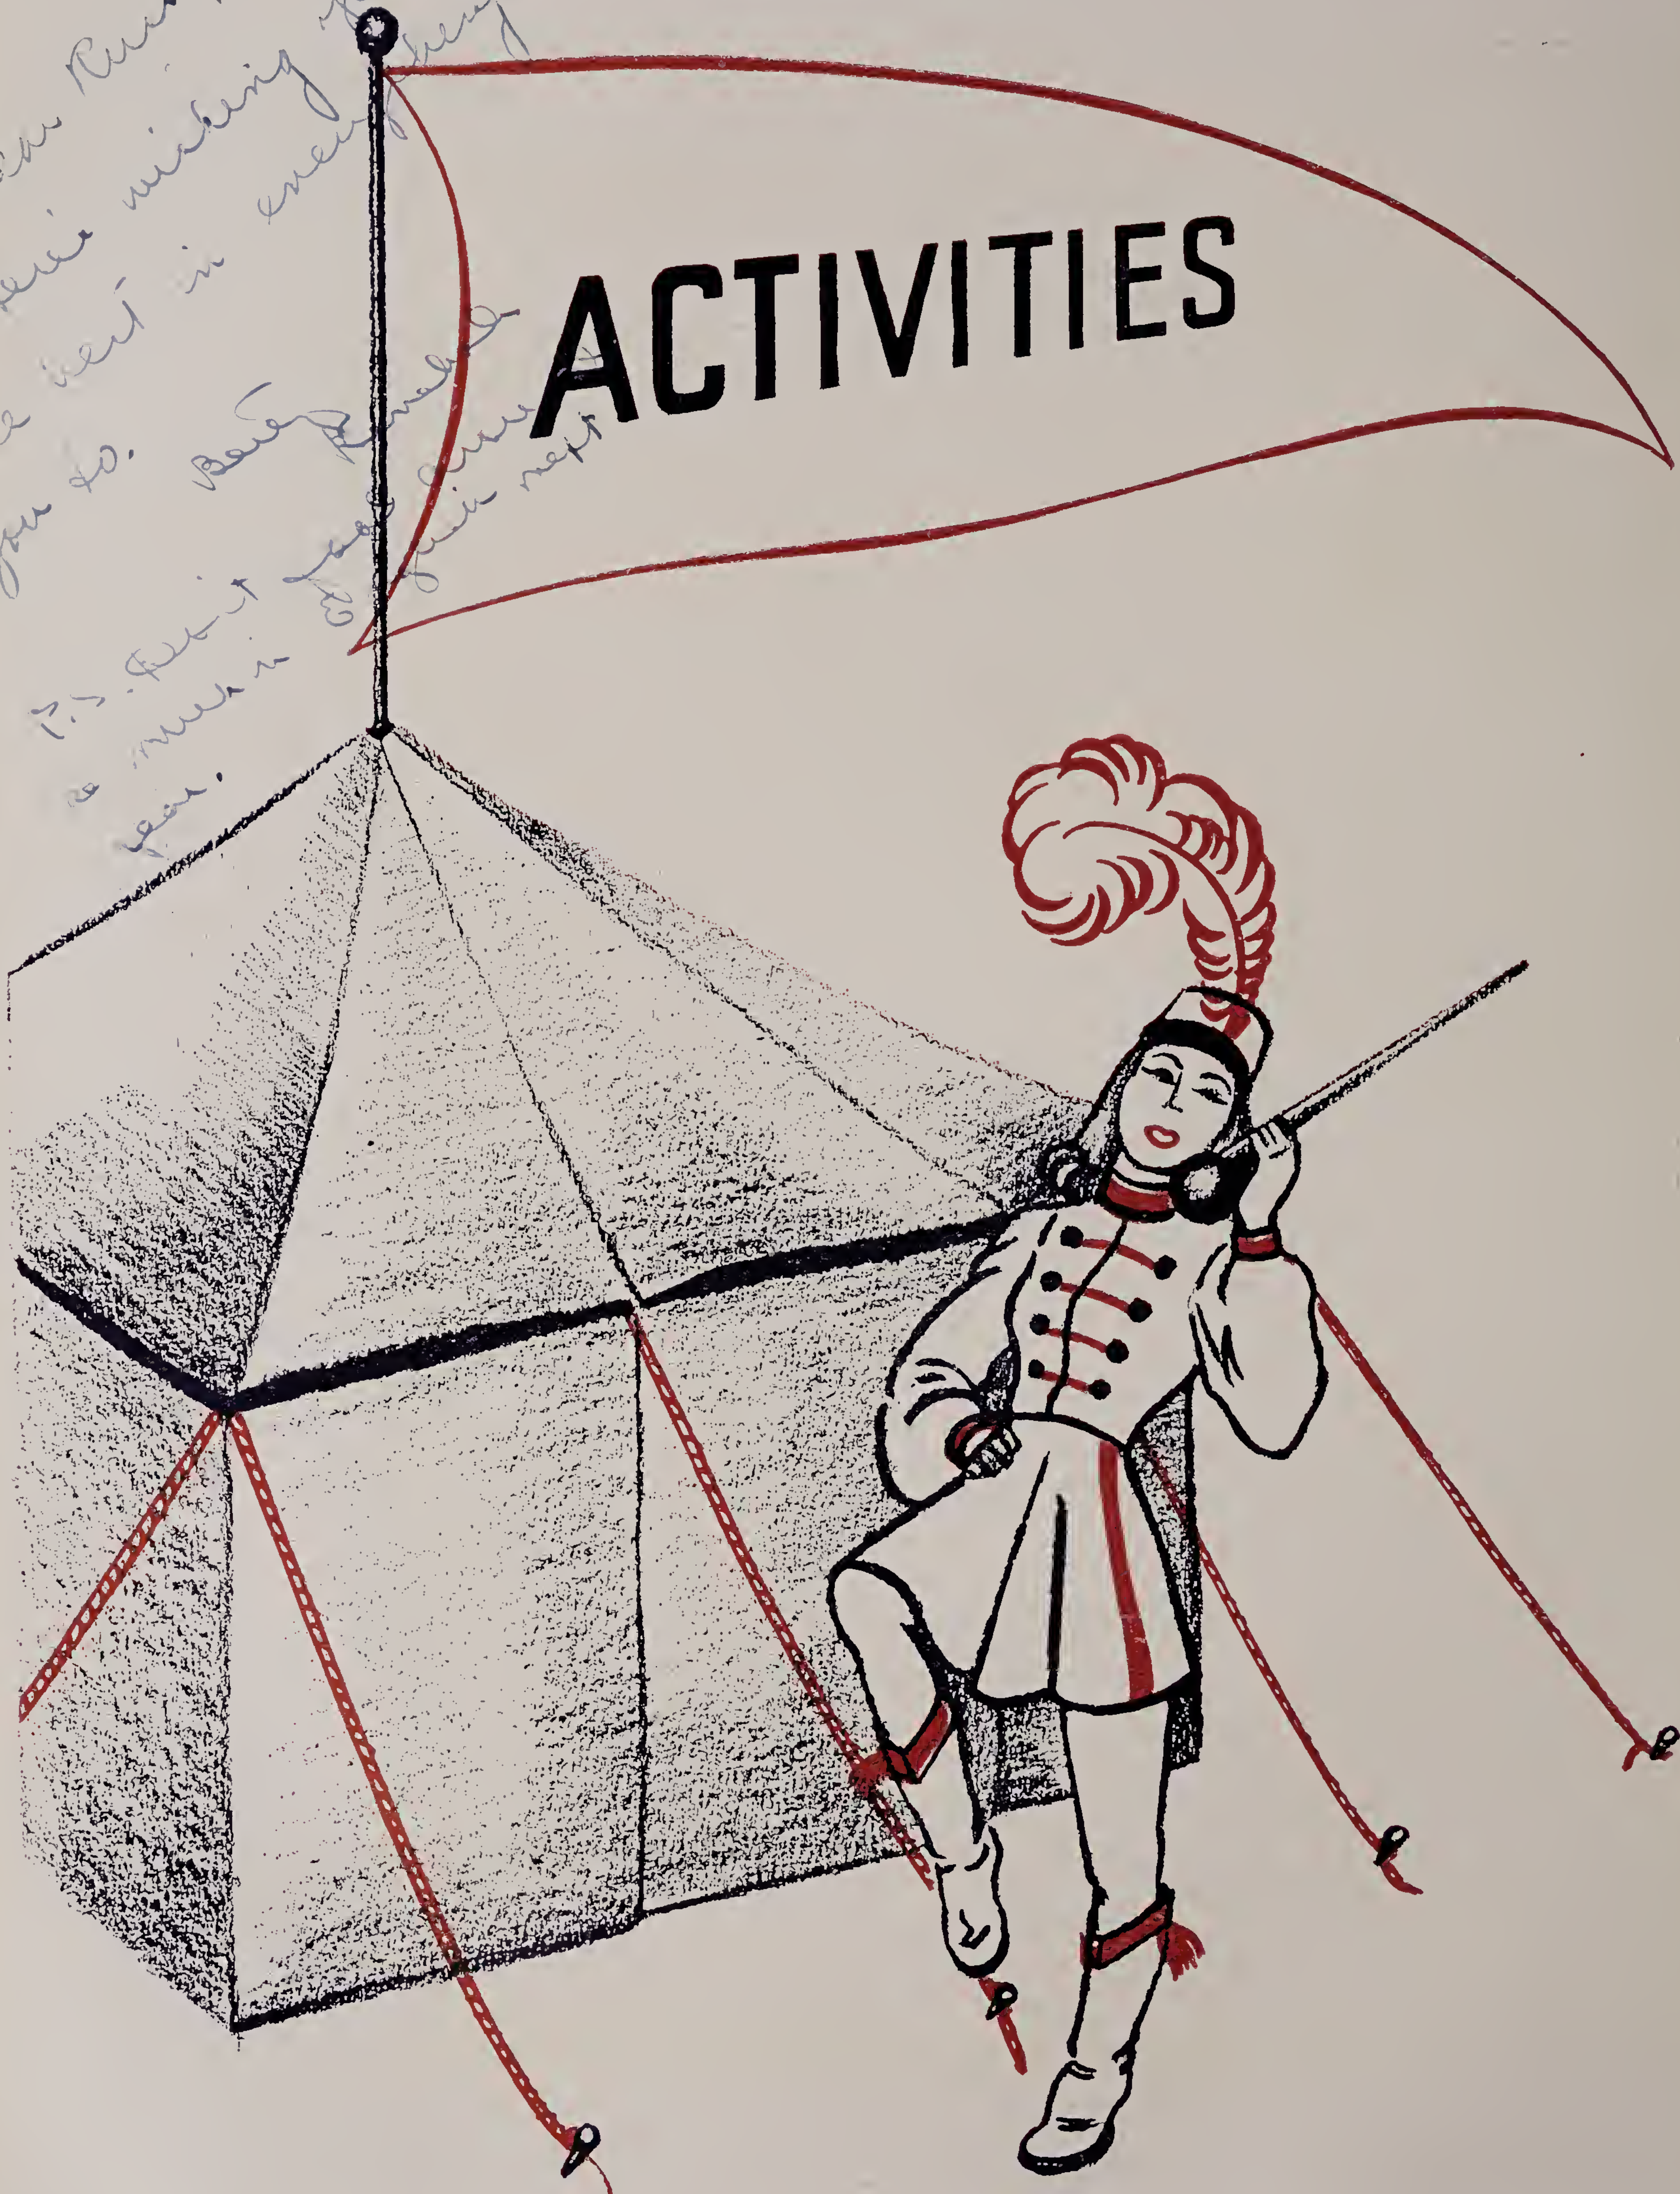
ACTIVITIES



Dear Russ:
Here's wishing you
the best in everything
you do. Betty Powell

P.S. Get it [illegible]
a member of [illegible] next
year.

This Way, Folks

The main show, or class work and the daily routine of lesson preparation are, as some of us knew four years ago and the rest of us discovered to our sorrow, are essential to any school, and we take part in them not too unwillingly. It's what takes place after 3:40, however, that makes a school fun to attend, gives it that old feeling of all for one and one for all and creates that spirit of Carnival which only activities, or side shows can create.

Our jovial Jaacks is a whizz at handling the finances of our side show activities. It's Jaacks and her stooges who get the tickets ready, sell the tickets, count the money, pay Uncle Sam his share and then bank and disperse the plunder to the groups who have earned and need it. It's Jaacks who sees that there are ticket takers and faculty supervisors, it's Jaacks who gets the buses—It's just Jaacks all the time.

ADELINE C. JAACKS

ALICE E. McKEEHAN

On Doc McKeehan and her crew of would-be journalists falls the responsibility for publicity, the life blood of a successful carnival.

A show without a crowd is as flat as a hamburger without onions, and so advance publicity is required and received. Then, after the performance is over, all actors like to see their deeds in print and, thanks to ever-busy, ever-kidding Doc, the post-performance praise is never lacking.

Congratulations to the class of '47 for their selection! Congratulations to those selected! Your activities have been appreciated, and everyone of you is a really "Keen-Teen". T.F. salutes you!

THERE'S NOTHING LIKE A BAND

There's nothing like a band to lend color to an event, whether it be the stirring roll of the drums as the big top artists perform or the breathtaking thrill of the national anthem as the flag is raised. Fractional's marching band provides fun and inspiration at all our football contests and gives them the true spirit of carnival. Then, to prove its versatility, it presents classic and popular programs at our music festivals, providing a carnival of contrast in musical ability.

Even the most ardent band music fan has moments when he wants music of a softer, dreamier type, or possibly he yearns for twanging strings, moaning woodwinds and slithery saxes. When these moments roll around, he can slip into the orchestra side show and while away many a happy hour listening to its sweet strains and smooth syncopation. Orchestra members don't take their bows quite as often as do those in the band, but on these faithful musicians falls the responsibility of playing the sad, but triumphant notes as the seniors file out for the last time as the curtain falls on the final scene, and the class of '47 becomes a memory.

It's always fair weather, when the good fellows of the Meistersingers get together, and, whether they are harmonizing a barber shop ballad or interpreting a classic gem, they have fun and give their audiences something they like to hear.

It's Meistersinger tradition to put on one of the best side shows at the annual carnival. This year their Hunting Lodge was a humdinger!

PUBLICITY

Darlene Bissa, senior columnist

Anne Petree, editor-in-chief

Some carnivals are content to use handbills supplemented by an occasional article in the daily press to provide them publicity. Some even depend on bill boards and posters, but the T.F. carnival, with a full 10 months run has regular bi-weekly publicity in what we modestly term the World's Greatest High School Paper. It's a big job and a steady grind to print all the news and provide publicity for a year round carnival with as many attractions as views, but the **Thorntonian** does it.

Miss Alice McKeehan, Sponsor
Jeanne Sherrow, Editor

Publicity in the school newspaper gives a thrill to participants in our Carnival twice every month, but to preserve the events of the whole year to show to our grandchildren, we depend on the **Chronoscope,** the pictured account of everything that happened and who belonged to what. It's an arduous and almost thankless task to collect the pictures and data for a year book, but this year's staff has had fun along with the work and is proud of its "Carnival edition".

LIBRARY LABORERS

Do you dislike sitting still for 57 minutes in the library?, do you like to feel a bit important?, and do you like to be a **really big help** to your fellow students and the librarian? These people do. That's why they joined the Library Club, one of the peppiest side shows in our carnival. It's really a part of the main show since many classes make use of our top-notch library facilities, but it's part of the side show 'cause the members have so much fun and do so many things together.

GIRLS'

There's no bunch in school that gets in on so many side shows as the Girls' Club. They not only put on an excellent attraction of their own, but each girl in order to be a successful member and earn a pin, takes part in several other activities. The girls, through their boards, decide how to run their show themselves, and they do a grand job.

COMMISSARY DEPARTMENT

MISS RUTH CRONKRIGHT—Cafeteria assistant since her student days.

A carnival, like an army, moves on its stomach. A visitor to T.F.'s commissary department between 11:35 and 12:25 would probably assert that our performers not only move on their stomachs, but on their voices. The combination of good food and bedlam seems to agree with everybody and furnishes the necessary steam and relaxation for successful action.

PROMOTIONAL STAFF

Advertising and ticket selling provide the cash that is so essential to a successful carnival. Whether the show be big or little it is well advertised—"for free" in the school publications, thanks to our ad getters, and whether the show be an athletic event or a tea, the ticket-sellers must be, and have been, on the job.

Speech and debate have the misfortune of being the last sideshow—except track—to bring their season to a close, so the **Chronoscope** must go to press before the results of the state meet are in but, in the words of one member of the team: "No monkey shines on our side show this year! We won all 4 of the regular season meets, won the district at Aurora and placed third at the Mendota sectional. Besides that we were the only school in Illinois to send three representatives to the state meet."

Top honors go to Bob Dean, verse reading; Jeanne Sherrow, comedy reading; and Shirlee Cadman, original oratory, who, by vitrue of their "firsts" at Mendota, qualified for the finals at Champaign.

Besides the two-day trip down-state, the team accompanied by Mr. Davis, made two other overnight journeys, one to Mendota and the unforgetable trip to Charleston.

Under the able coaching of Mr. Henry Legg, debate was reorganized this year. We became members of the Metropolitan Debate Union, and our placed first in the Union tourney at Aurora.

CITIZENS OF TOMORROW

(Flash!) The fame of the activities on our galaxy of attractions brought the WGN radio staff to Fractional to record an assembly program to be broadcast as "Citizens of Tomorrow." Two speech students, Jeanne Sherrow and Pat Flom, played a prominent part. The Meistersingers and Joe Giewartowski provided the music, and six seniors: Meryl Blocker, Juanita Fedosky, Carla Haynes, Richard Jarzombek, Joe Micka, and Eugene Stevens passed the quiz contest with flying colors.

As sort of a side show supreme, under the direction of Mrs. Lucille Marks, this year's Junior-Senior play cast presented a rollicking three-act comedy, **Double Exposure** on April 18.

This rollicking farce had its setting in the combined reception room and lounge of a psychiatrist, Dr. Carruthers, in a rural New England town and involved a company of summer players who took over the clinic, both as patients and staff, in the absence of the doctor whose nephew is more than eager to get his inheritance. The T.F. cast did a splendid job of creating the mix-up and straightening out the complications.

TRAINERS

Without trainers no carnival act acquires the polish necessary for public performance, so our carnival has its quota of coachers — all masters in their lines. In football we have Head Coach Petree who is also Athletic Director, sophomore-junior Coach Young, who before the war, had varsity basketball and track, and freshman Coach Gentile. In basketball we have Varsity Coach Kiester heading the list. Coach Gentile handles the sophomores and Coach Petree guides the frosh. Coach Fedosky teaches our swimmers; Coaches Young and Fedosky take care of track; and Coach Potts instructs the wrestlers A better bunch of coaches can't be found.

FOOTBALL

What's a carnival without a barker?—Listen to Barker J.V.O. spiel:

Hurry! Hurry! Read right on. Read of the busting blocks, the tantalizing tackles, the rocket runs, and the famous flings of T.F.'s mighty Meteors of the gridiron.

Read on, and learn how Wally Sieja scored two touchdowns in the opening game of the season to spark a Meteor victory 13-7 over Hammond Tech.

Read on, and learn how the Meteors came from behind in the last few minutes of play to beat Glenbard 18-13 on a pass from Anderson to Sieja.

Read on, and learn how Little Larry Glick ran wild against Kankakee scoring 2 touchdowns. Read, also, how Roger Pranske kicked 3 successive points after touchdowns in this 21-0 victory and learn, too, of the splendid game the line played on defense as well as offense

Let your eager eyes enable you to recall the T.F. vs. Blue Island game. See that running by John Sarros! Notice the bang-up job that the line, particularly Bob Shephard and Frank Walenga, are doing to give T.F. another victory by a score of 18-7!

Permit your pupils to plunder across the pages that tell the tales of the Amundsen game that was won by Pranske's educated toe 13-12; the Hammond Clark game that ended in a tie, 7-7, and ended a winning streak of 5 straight games; the Noll Central game that the Meteors walked away with in the second half 20-6 to put them back in the win column.

Then continue, and center your attention on the Argo game that ended in a scoreless tie. What a beautiful game of defense both teams played!

Get your tickets. Hurry! Hurry! Read how Mighty Bloom bombarded T.F.'s hopes of winning the conference championship by beating the boys 31-6. Alas! Alack!

me!

The Baby Meteors, T.F.'s stars of tomorrow, shared the South Suburban Sophomore football crown with Kankakee by virtue of a defeat at the hands of the Bloom Trojans in the final game of one of the best side show attractions of the year.

This year Coach Young led the boys, and it looked good to have Mr. Young again on the coaching staff. The team had a successful season, having the admirable record of 7 wins and 4 losses. They scored 123 points while holding their opponents to 81 points which is mighty good football in anybody's language. The Stinsons, Al Freyman, Leonard Czerwinski, Tom Chilis and most of the rest of the boys will be burning up the gridiron in the next couple of years.

The freshmen started and ended their season with victories. What happened in between is best forgotten. They won 2, lost 4, and tied 1. They had some tough breaks when two first string men, Harold Siegfried and Bob Barnes, were lost for the season after the second game because of broken legs.

In spite of the rather poor record, several boys showed great possibilities and all of them may develop into good players, according to Coach Gentile. Jerry Kolesky revealed real ability as a lin backer, Bryce Keller, flashy halfback, was a consistent yard gainer, and Pat Hintz was a fine defense man. Sco ing honors were shared by Keller, Olin, Hintz, Vierk, and Kolesky.

BASKETBALL BABIES

Row 1: Dan Olin, Richard Giczewski, Jerry Kolesky, James Munson, Pat Hintz.

Row 2: Coach Petree, Bob McCloskey, Owen Ruff, Bryce Keller, Bob Sertic, Charles Uram, Bob Anderson, Allan Owen.

Row 3: Conrad Kelleher, Mgr., Leonard Percak, Tom Vierk, Forrest Geicken, Charles Wittmer, Tom Fredericks.

This year Coach Petree had, he thinks, a very fine freshman basketball team. The season record was below par, but the boys showed much promise for the coming years. Bryce Keller demonstrated great ability as did Bob Bertic and Bob McCloskey. Bryce dropped in 125 points during the 21 game season, and Sertic and McCloskey had 72 and 52 points respectively.

Although they won only 8 games out of 21 this year, the boys managed to roll up 443 points to their opponents 463. Nine of the 13 losses were to Indiana teams which have the advantage of well-organized grade school basketball.

Row 2: Coach Gentile, Ray Ruff, Bob May, Wallace Ruff, Ronald Schultz, Bert Giczewski, John Cosgrove, Dave Stinson, Charles Marshall, Paul Barber.

By winding up the season with a victory, the baby Meteors, who usually put on a double header attraction with the varsity, took undisputed second place in the South Suburban Conference.

The Meteorites won 10 and lost 7, while scoring 410 points to the opponents 391.

Statistics show that the home team made 148 field goals while holding the opposition to 147 buckets. Our opponents cashed in on 97 of their free throws. T.F. sophs did much better, hitting 114 out of 264 attempts.

Al Freyman led our scorers with 116 points on 38 field goals and 40 charity tosses. Bob Abblett followed with 91 points.

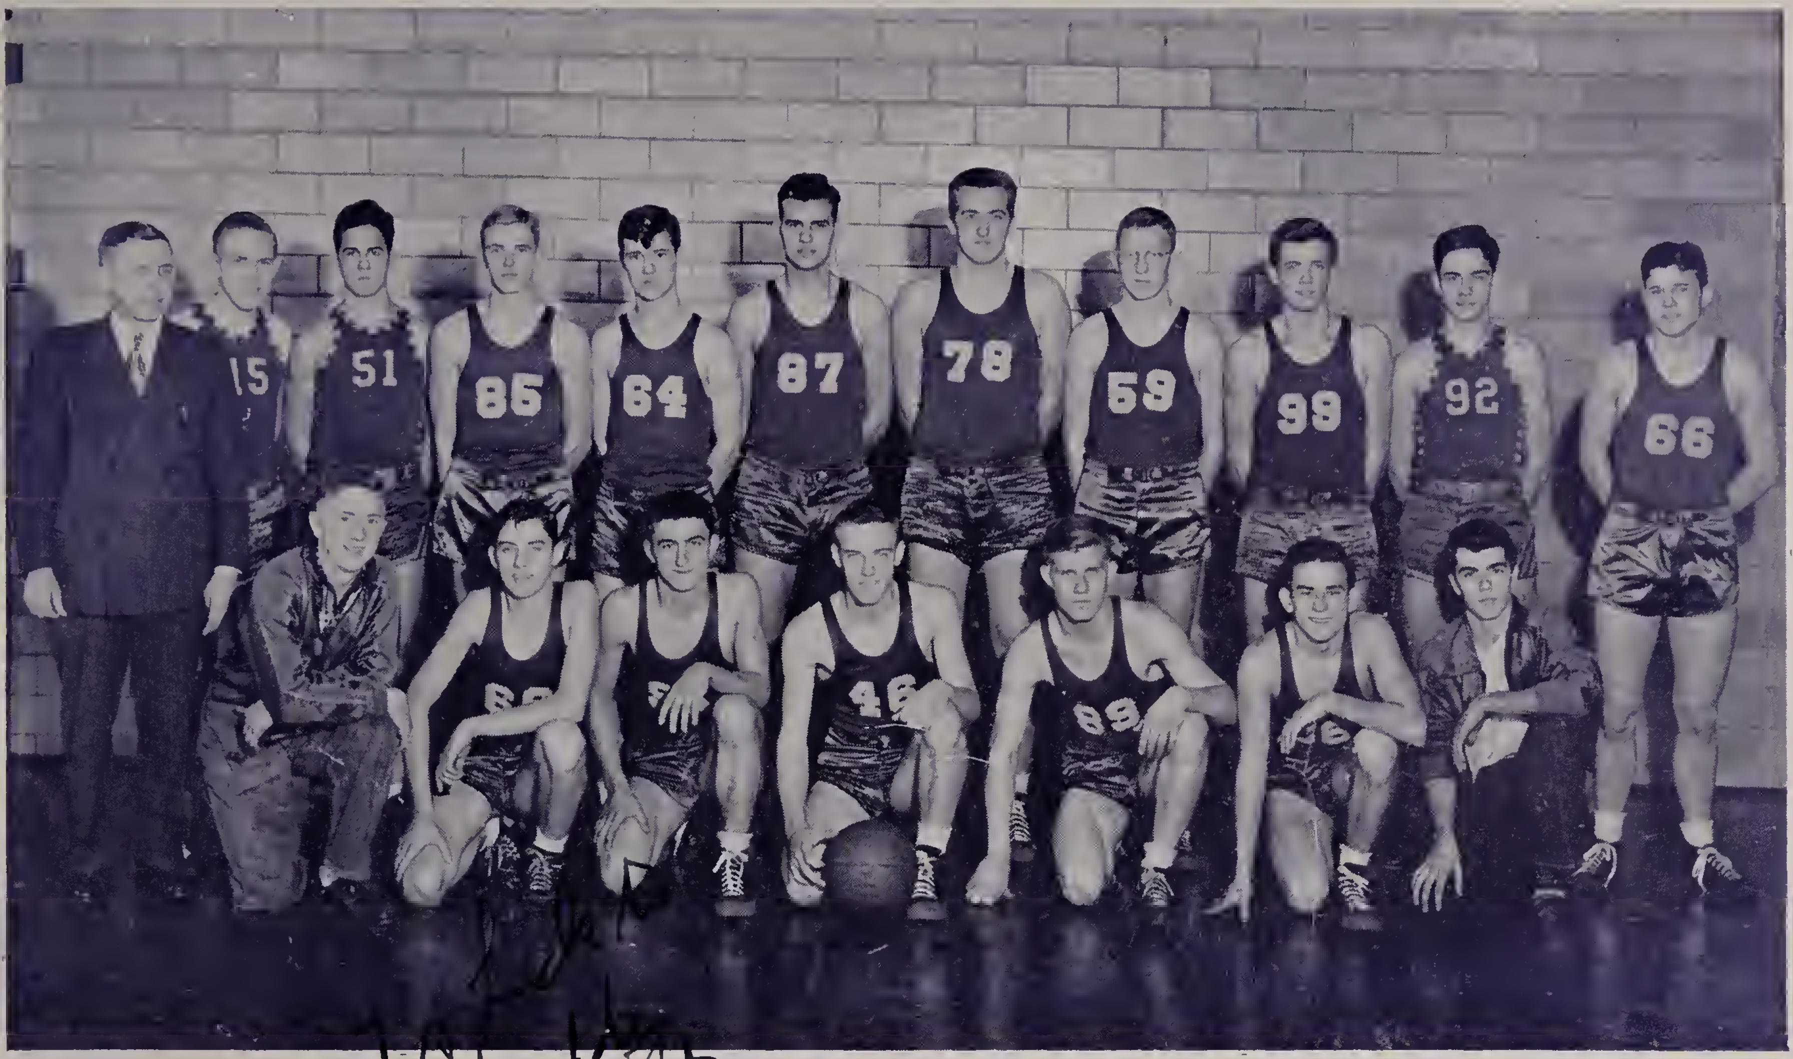
LEAGUE CHAMPIONS



Best of luck to a good Buddy Jack Kiester

Row 1: Bob Roach, Jack Kiester, Bill Brakebill, Jim Van Osten, Don Anderson, Mike Pank, Jimmy Leonard.

Row 2: Coach Kiester, Frank Donaldson, Jerry Newell, Bob Wood, JamesShutoski, Bob Shephard, Eugene Magdziarz, Bob Kickert, Tom Hyland, Jim Murray, John Sarros.

High on the list of side-shows is one of the year's biggest attractions . . . basketball. Taking the South Suburban title was the main feature of the cage season, as our boys blazed their way to League victory eight times, while dropping only two tilts, to win the first place berth for the second time in succession. Another big act was T.F.'s Second Annual Xmas Tourney which was a huge success, although the spunky Fractional five lost the final game to a sturdy Bloom quintet 31-29.

At mid year graduation, Bob Shephard and Don Anderson ended their brilliant cage careers at T.F. Two amazing juniors, Tom Hyland and Jack Kiester, stepped into the vacated spots and helped spark the Meteors on to the league cup. At the close of the regular season the Joliet regional where the flu stricken T.F. boys, battling without Bob Kickert, were jolted by their Joliet jinx 44-27 in the opening game.

Managers Jim Leonard and Bob Roach deserve a pat on the back for their expert handling of equipment, while a medal should be pinned on the man at the helm, Coach Jackson Kiester, that "great little guy who taught the Meteors how to win."

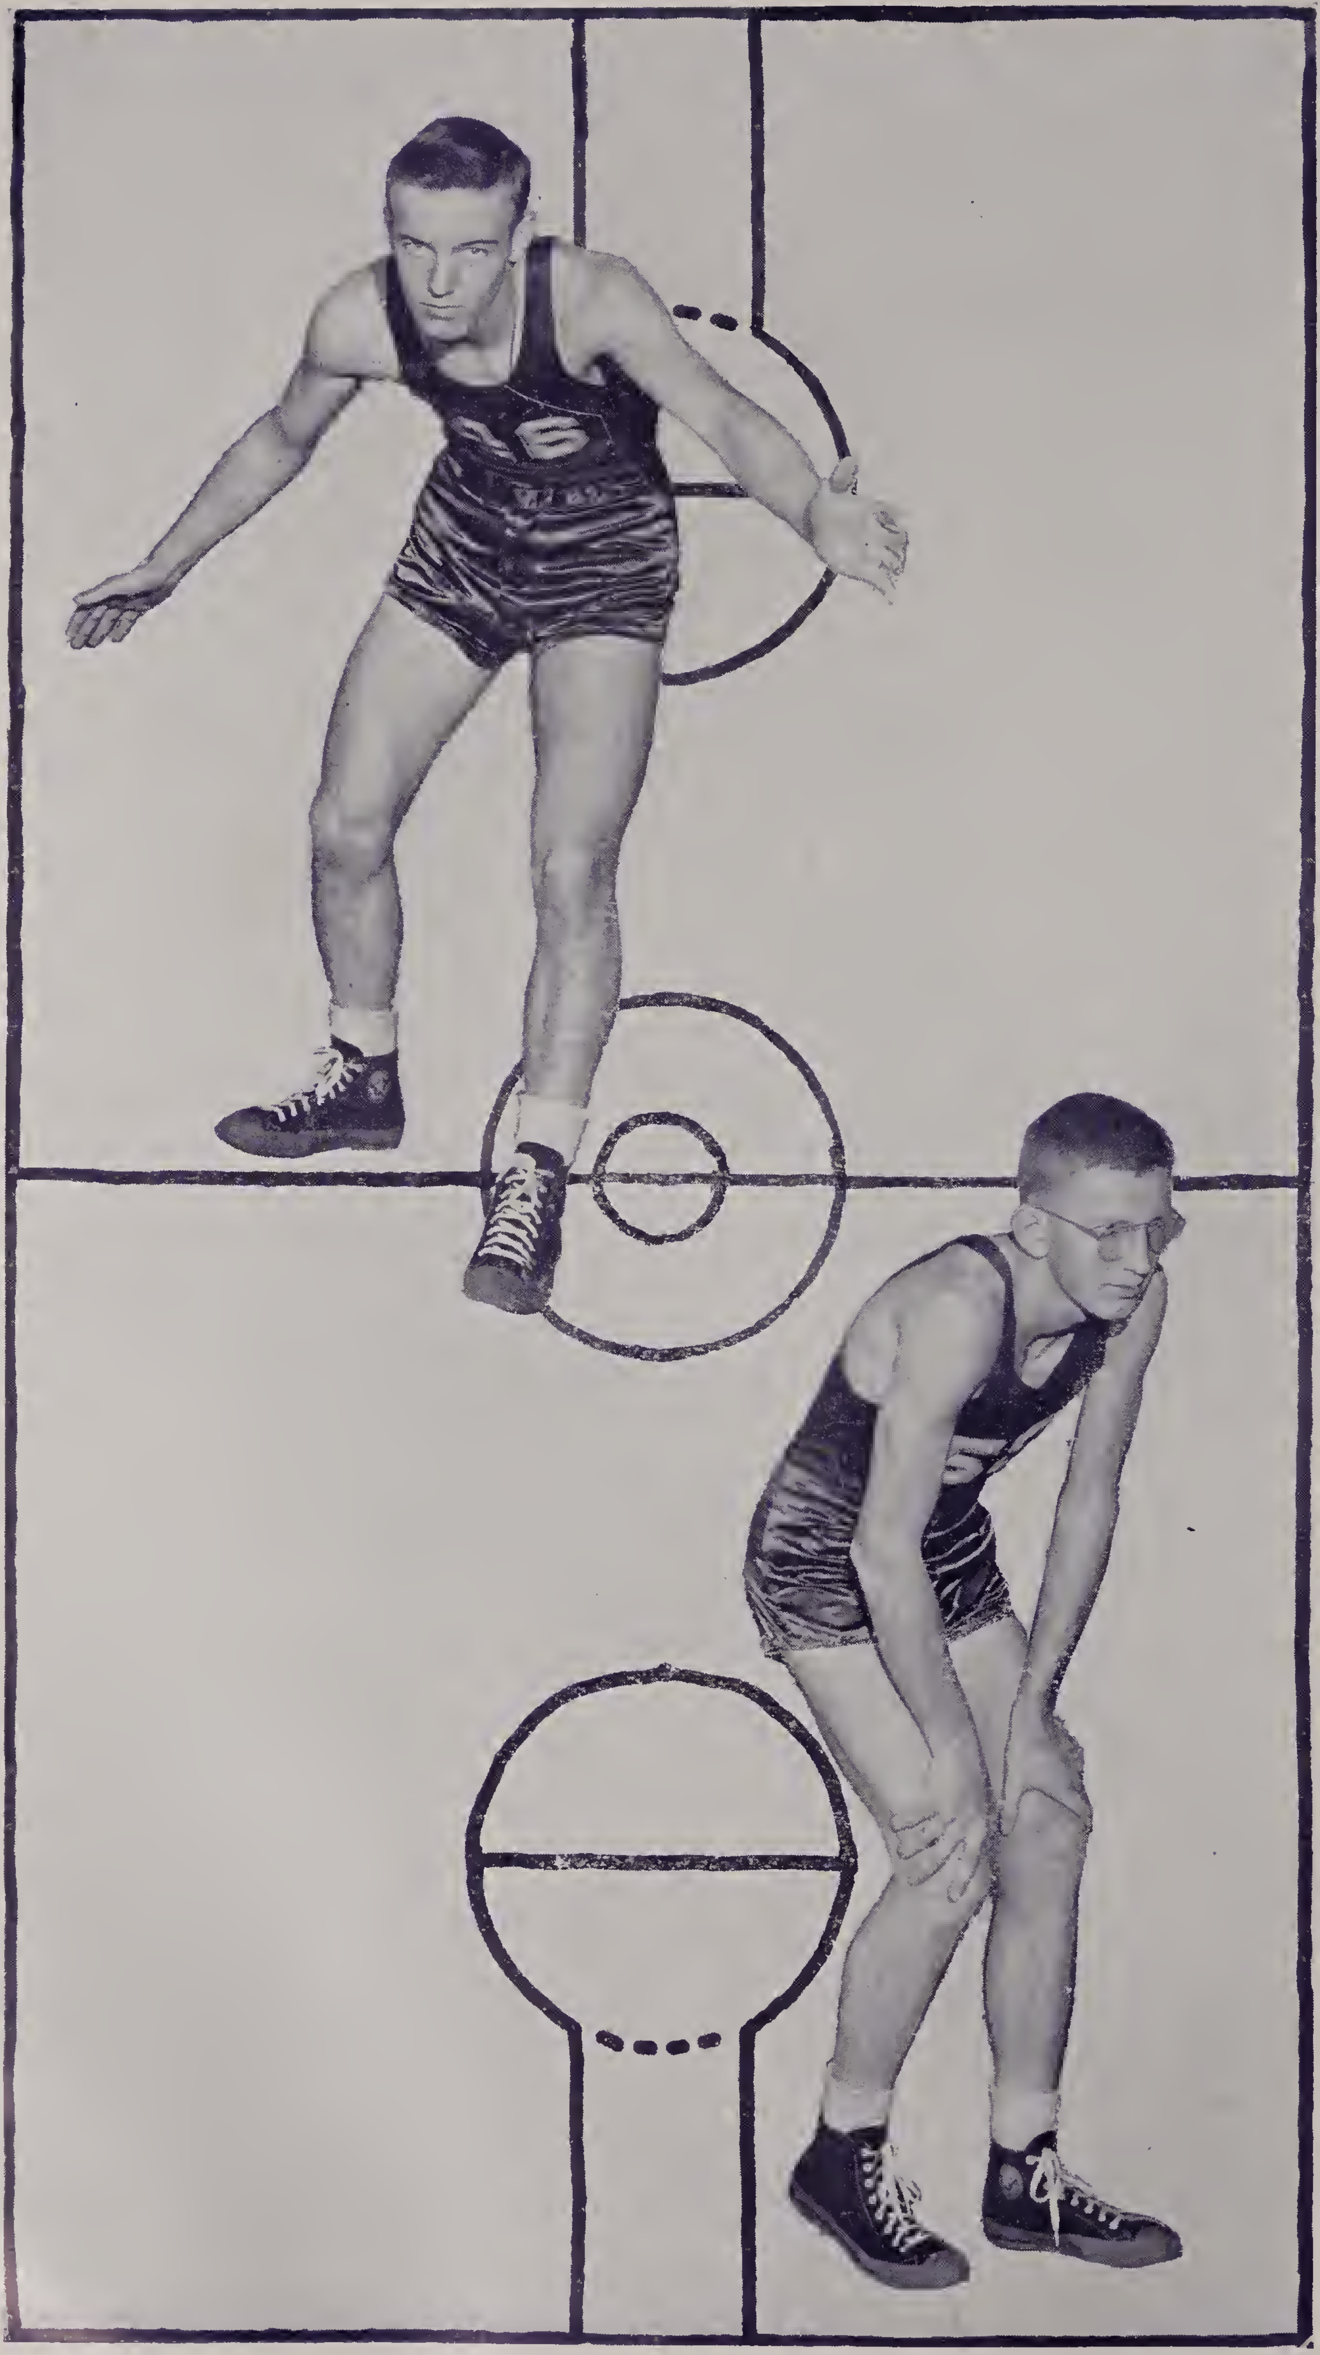
SENIOR



Jim Van Osten - Captain. Jim, along with his expert defense as forward, was a great morale booster for the team. Jim also helped share the scoring burden as he connected in the clinches for 67 baskets and 28 charity tosses for a total of 162 points for the season. Jim's accurate one-handers will be sorely missed in next year's squad as will his splendid example of dependability and good sportsmanship.

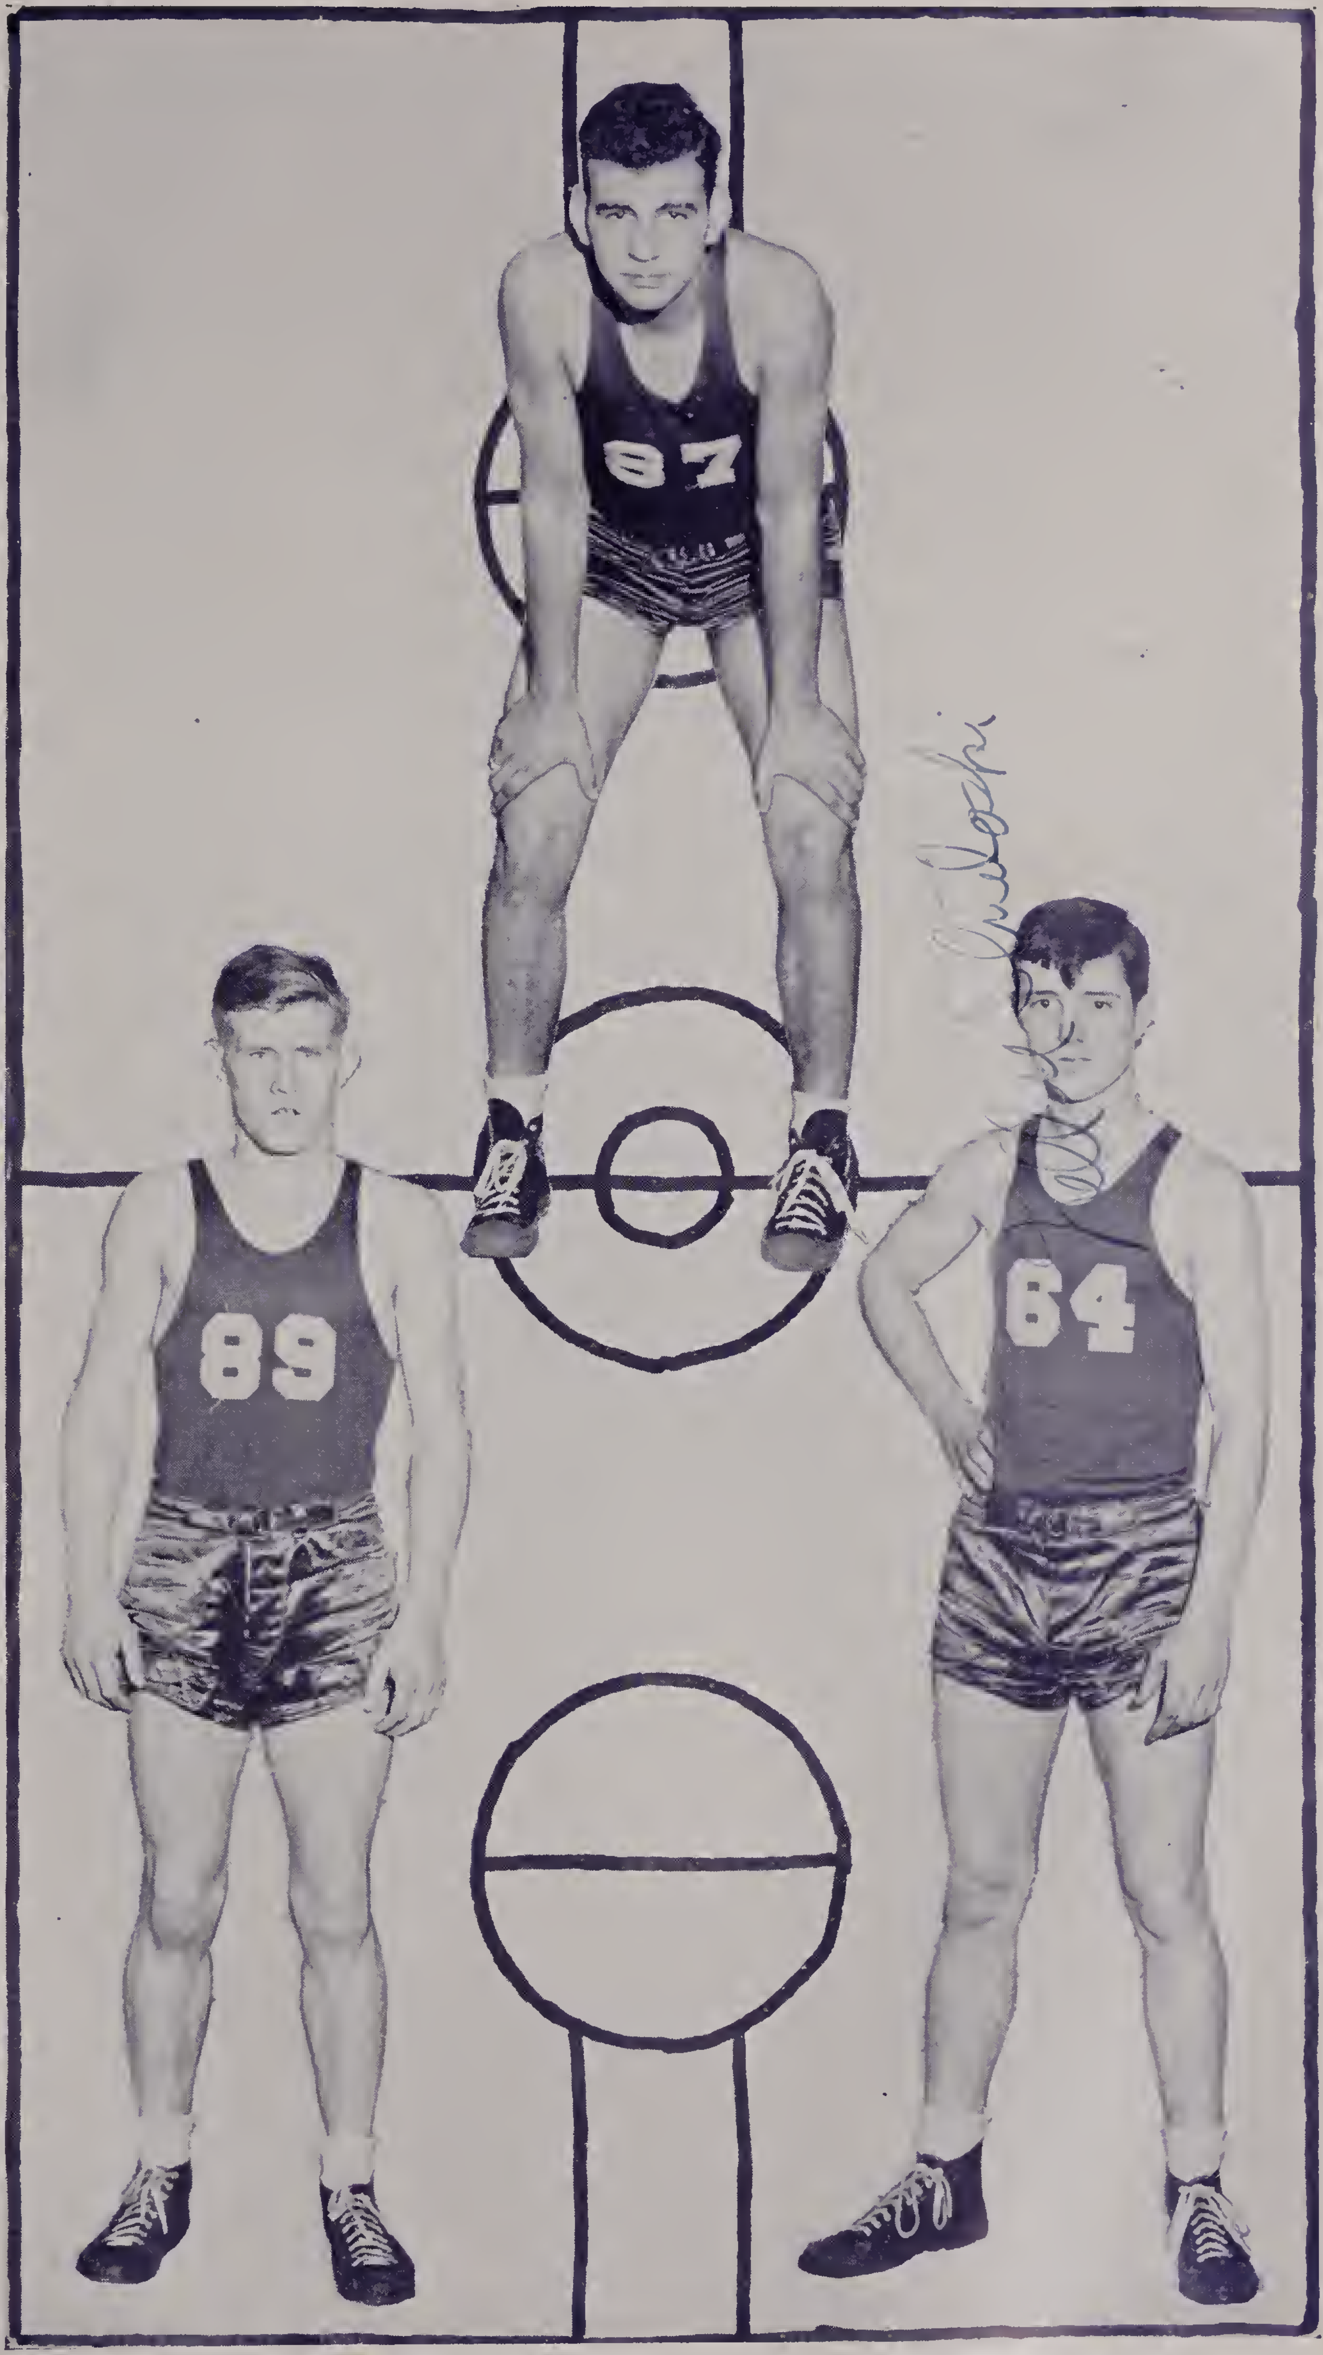
Star of this year's squad and one of the highest scorers Fractional ever had was Center Bob Kickert. During the regular season Bob dumped into the net 134 field goals and 92 free throws for a total of 360 points, or a 14.4 average per game. It was a tough break when the team's ace caught the flu. Many fans are certain the outcome would have been different at Joliet had Bob not been confined to his bed. We'll never forget this bespeckled center and his impossible shots.

SHOOTERS

Bob Shephard, only returning regular of last year's championship squad, graduated in February. Bob's rebounding strength, as well as his one-handers from the right corner and his accuracy at the free throw line, were greatly missed after his departure. 134 points were scored by Bob before he left with 48 of them coming on charity heaves.

Another senior who graduated in mid-term was guard Don Anderson whose tricky footwork baffled many opponents as he teamed with Shutoski to bring the ball down the court. Don's long high ones at crucial moments were very valuable as was his defensive strength. Don's total for the season was 126 points coming in 52 baskets and 22 free throws.

Last of the stalwart senior stars is Jim Shutoski, alias "Nellie", who, from his guard position, never failed to bring the ball down the floor in tiptop style. Jim wasn't an especially high scorer, since he starred at defense, especially rebounding; but he racked up a seasonal total of 102 points, 88 in field goals and 14 from the charity line. Jim's steadiness will be hard to duplicate.



WRESTLING

Paul Adamkiewicz

Row 1: Don Welsh, Mgr., Leo Misdom, Paul Adamkiewicz, Alvan Boothe, Jack Falkenstrom, John Montella, Robert Jerzyk, Russ Keller, Hank Wleklinski.
Row 2: Coach Potts, John Laesecke, Dennis Yates, James Fritz, Norman Ku.z, Fred DePirro, James Oberla, Anthony Zampino, Frank Patterson, James Zimmerman, Ed Hecimovich, Mike Yuhas, Mgr.
Row 3: Ed Jurecki, Ray Johnson, Jerry Wachewicz, William Sass, Mike Wisniewski, Warren Lorenz, William Zukley, William Swendsen.

Under the leadership of Coach Potts the wrestling side show enjoyed a fairly successful season's run. They won 7 and lost 9 during the regular season and placed one 3rd and two 4ths in the sectional.

John Montella, a senior, was the top grappler as he won fourteen bouts and lost only one. Wrestling in the 134 lb. class, John rolled up 49 points and took a third in the sectional. Second to Montella was Paul Adamkiewicz, diminutive sophomore, who totaled 62 points with 10 wins, 5 losses and a 4th in the sectional. Bob Jerzyk, the other 4th place sectional winner, had 7 wins and 9 losses and a total of 152 points. Other outstanding grapplers were: Fred DePirro 7-6, Alvan Boothe 9-7, and James Oberla 5-8.

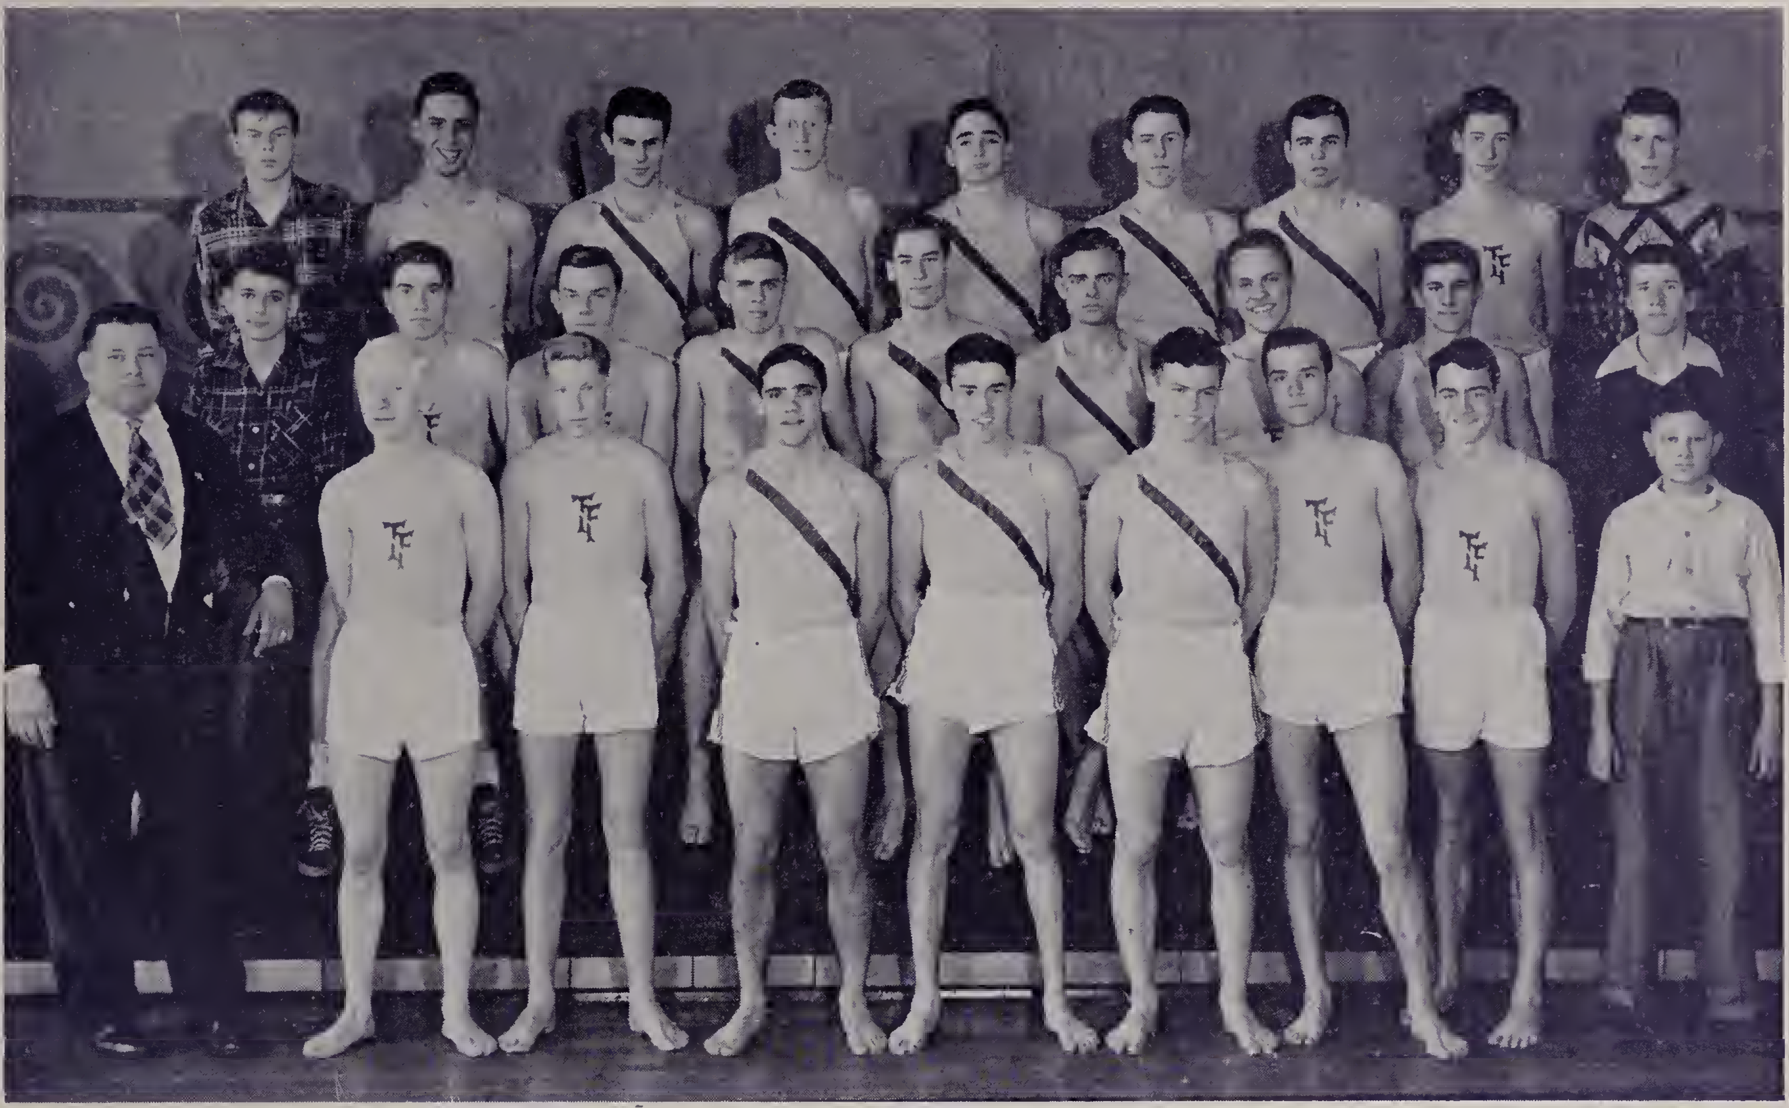
TRACK

Clarence Weining



Row 1: Coach Fedosky, John Schweitzer, Charles Malufka, Jim Wright, Bill Bradburn, Neal Tolley, Richard Spindler, Don McMullin, Don Welsh.
Row 2: Ralph Erchinger, Mgr., Ronald Schultz, Gordon Bartman, Russ Crane, Wallace Ruff, James Ernstmeyer, Don Salvano, Norb Brennan, James Boothe, Mgr.
Row 3: Robert Schultz, Mgr., Ed Meissler, Wally Sieja, Robert Kickert, Ted Kurz, Dave Stinson, Clarence Weining, Ray Ruff, John Malone.

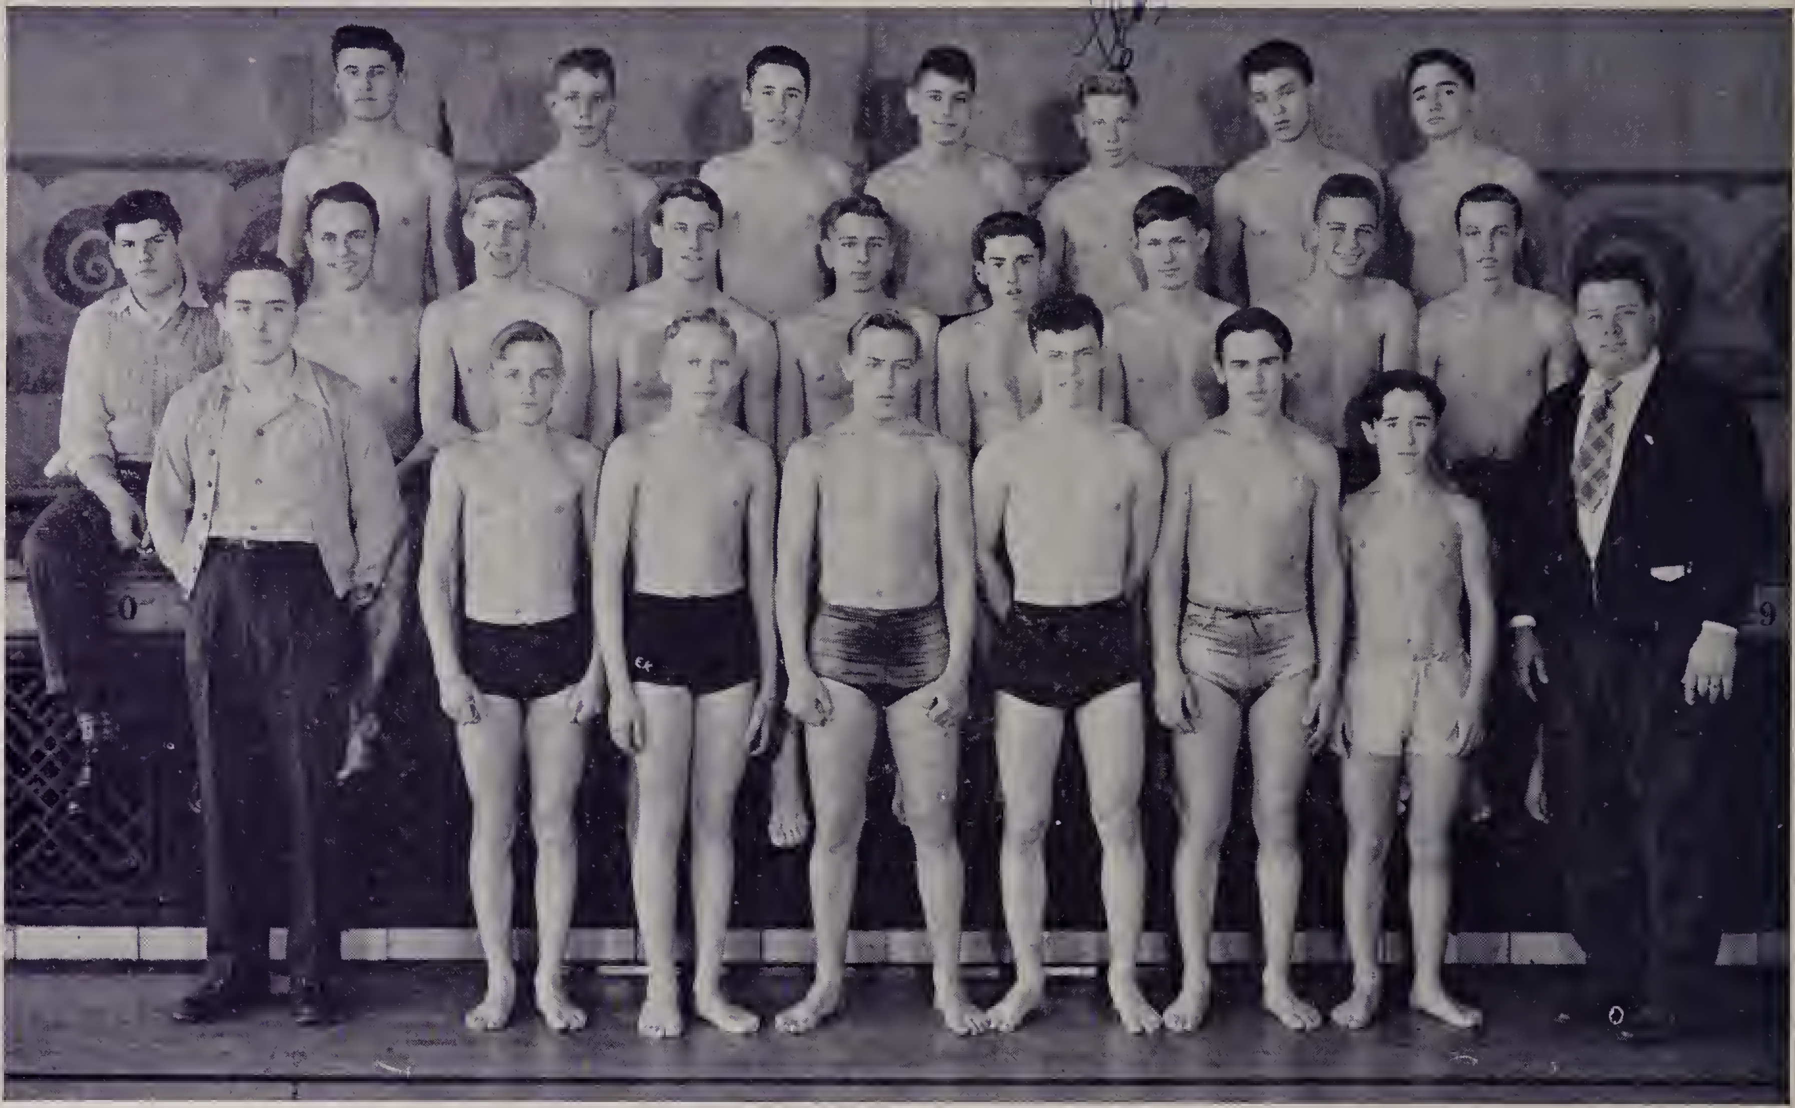
No, these barefoot boys with eyes of blue aren't swimmers, or wrestlers or—well anyone else who runs around without shoes. They aren't even members of a unique side show. Actually, they're track men. When this pic was snapped there were two feet of snow on the ground and running around in the gym with track shoes just isn't done.

The group is composed of returning members of the 1946 track squad which was coached by "Pop" Fedosky. Coach Young, who handled track before he entered service, took over varsity this year and Coach Fedosky is handling the frosh-soph boys since the combined squad was much too large last year.

Although graduation robbed this group of their stars Tom Stokes, Augie Ollrich, Parker Mills, and Phil Mangiarcino six varsity letter winners came back. They are: Bob Kickert, Russ Crane, and Jim Ernstmeyer, veteran hurdlers; Teddy Kurz, only surviving miler; and Neal Tolley, pole vaulter and high jumper. Dave Stinson, sophomore, who qualified for a major letter last year returned also. Other boys who earned their letters last year and advanced to the varsity squad were: Clarence Weining and Don McMullin, dashes; John Sarros and Bill Bradburn, hurdles and high jump; and Frank Donaldson, the 440 dash.

Unfortunately the Chronoscope must go to press before the 1947 track season gets under way so track fans must depend on the Thorntonian for news of the exploits of what Coach Young believes will be an excellent track team with these boys as a nucleus.

ACQUATIC SHOW



Row 1: Richard Gauger, Mgr., Pete Young, Eugene Kulczyk, Steve Kolodich, Neal Tolley, Capt., Bernard Barton, Carl Penny, Ed Fedosky, Coach.

Row 3: Stanley Skiba, Paul Knabenhans, Richard Lutz, Ralph Erchinger, Charles Malufka, Richard Markert, Ted Kurz.

By the close of the 1946-47 season Fractional swimmers had splashed their way to 6 wins and been submerged for 11 losses. Although it has been one of the less publicized side shows since its revival after being dropped during the war this season was an improvement over last year and Coach Fedosky says that many promising freshmen and sophomores are coming up. The four high point men on the varsity squad were Bob Stinson, 158 points; Neal Tolley, Captain, 54 points; Don Burnett, 49 points; and Daren Seme, 45 points.

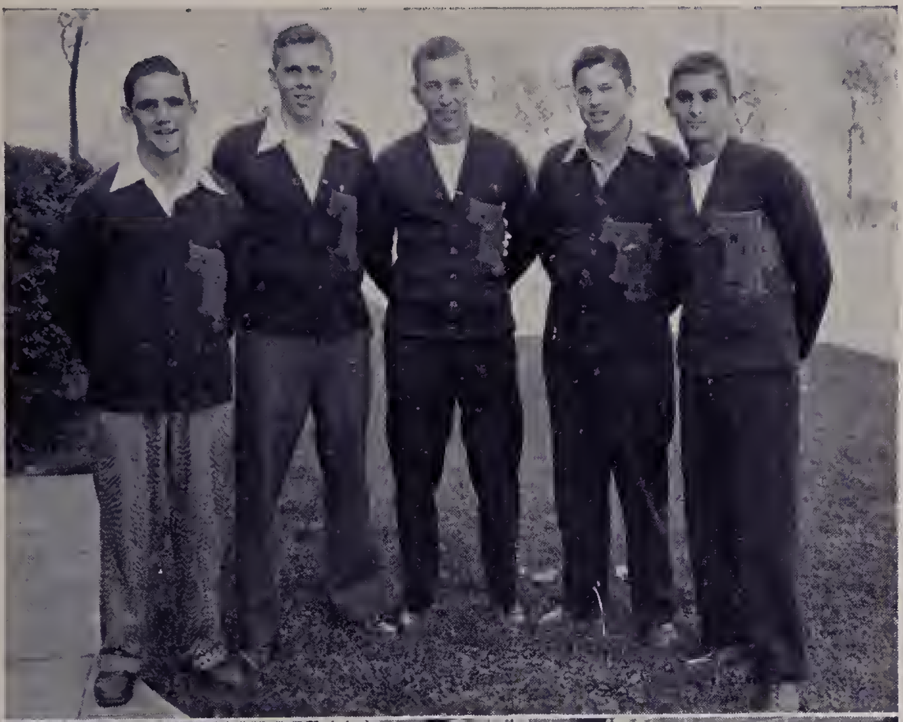
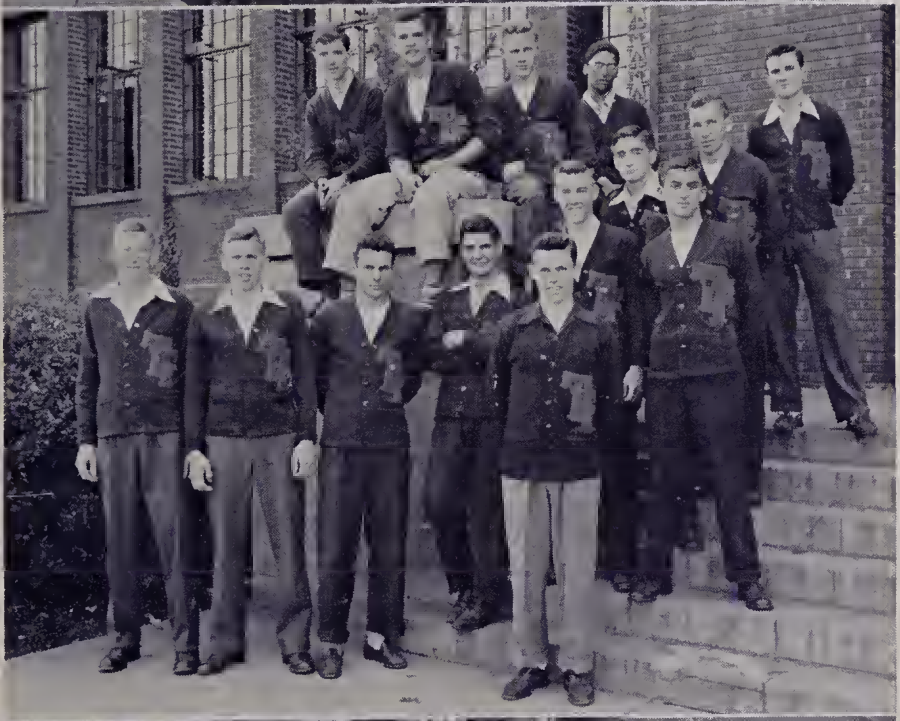
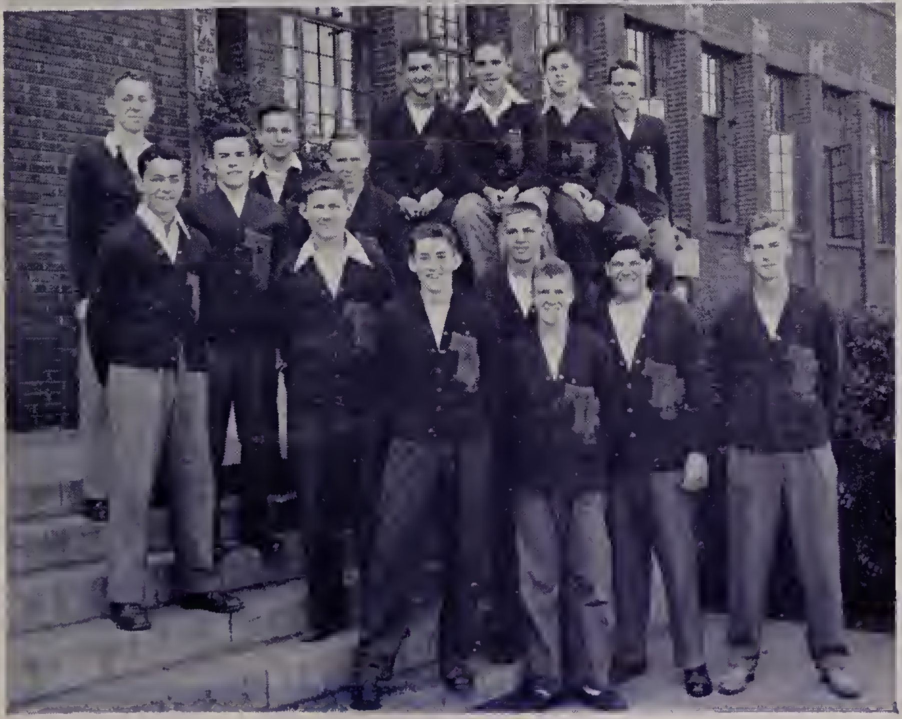
MONOGRAM CLUB







Most exclusive of the organizations to be found within our carnival is the Monogram Club, composed of top-flight performers who have earned their letters and survived the friendly little playfulness known as an initiation. The Monogram Club members serve as assembly monitors, manage the intramurals, put on a bang-up annual dance and always turn up with a big money-making raffle at the annual school carnival.

GIRL'S

Jaacks Girls, more familiary known as G.A.C., are the ambitious lassies who spend three afternoons a week after school in ladylike endeavors to beat the socks off of all the would-be athletes in all classes except their own. Call it the Amazon side show, supervised recreation, girls' sports, or what-will-you; the girls take to it like ducks to water and the longer they're in the better they like it because, although there are occasional bumps, bruises and scratches, the friendships and physical fitness that result from sportsmanlike competition are well worth it.

The moving spirit of G.A.C. is Miss Jaacks—correction, please! Miss Jaacks **is** G.A.C.—heart and soul, and woe betide the girl who thinks it's an easy thing to meet her requirements.

The girls who made it the first semester this year as shown in the picture of the initiates whose acceptance into the inner circle was accompanied by what is best called a warm reception.

DOIN' WHAT

Shakespeare and his plays within plays has nothing on T.F. We have a carnival within our carnival. It's the attraction of the year, the chief activity, the big cooperative effort, the one show in which everyone can find something to do. This year's carnival was the best attended, the greatest financial success, and, 'tis said, probably the best show ever staged in our school.

We'll even go Shakespeare one better. We had a "carnival within a carnival" and carnival side shows within the carnival. You can't beat that, and you couldn't have beaten our side shows, of which the swimmers and the Meistersingers were considered to have been tops.

Dear Russ,

It was quite hard to find some space in your book to give my best wishes as your other friends have. Knowing how wonderful your Mom and Dad are I can see why you are the same, and finding hardly some space I can see that others think of you the same as I.

I wish I was as lucky as the next year students will be to have you in school with them. Honest Russ, knowing you the past two years was about the best thing that ever happened to me.

Going out together was a lot of fun and I really enjoyed myself. Do you remember the Valentine dance, "valentine" Jr. Sr. sneak, monogram picnic, and most of all the prom? I guess I better stop or I may get too mushy. But I wish you the best of luck in whatever you do. I hope you do well in your sports and please try to win one game for "Potter".

Always yours,
Rita

To a great man and a real great guy. I'm going to miss you (honest —) Russ

Lots of luck, Jake
Billy

IT'S ALL OVER NOW

The last performance has been given, the last notes of music have faded away into the distance, and now we can just lie down on the grass and loaf. When the carnival opens again next fall, it will be with a new set of performers; but, while we'll miss our stars of '47, the show will go on with just as much vim and vigor as before. The spirit of carnival lives forever.

The staff wishes to extend sincere thanks to "Doc" McKeehan, "Jaacks", the Uhles, and Mr. Tilton of the Leader Engraving Company, for their help in preparing this book.

Best of luck
man [illegible]
